OLI Office Policy 2025

250117R10

OFFICE HOURS

Office starts at 9:30am. Core office hours are based on a 40-hour work week not including an hour lunch break. As many projects are based out of the country and due to the demanding pace of OLI projects, compensation days will be given for several consecutive overtime days and full weekend workdays.

OLI encourages being on time and working efficiently. If you will be more than 15 minutes late, please email your teammates, okamoto@oliarch.com; and hristina@oliarch.com. If you have errands to run or appointments, please ensure your teammates know your schedule and make the time up at your discretion.

ATTIRE

OLI simply asks that you use your own discretion with a few simple rules. Dress smart, no shorts or worn T-shirts. Midriffs should be covered.

HEADPHONES

Headphones are allowed; however, OLI bars any full, over the ear headphones. Employees are encouraged to limit the use to stay in tune to conversations and design process around them. Video streaming at any time is prohibited apart from Tutorials and professional related content for projects.

PAY

Due to the small studio nature of the firm, payroll is generated once a month on the 15th of each month for the previous calendar month. Employees should submit timesheets and expenses for the previous month no later than the 13th. Hardcopies should be submitted. PDF copies should be emailed to: hristina@oliarch.com, casanyny@yahoo.com, okamoto@oliarch.com,

HEALTH INSURANCE

Health insurance is offered to full time employees after 90 days of employment/including any trial period. Health insurance coverage will be under a separate cover, explaining premiums and coverage, (note: OLI offers coverage of half the monthly premium for singles if you choose to join). Insurance for spouses or family is offered without premium assistance.

401K

The office has a 401K program. You must qualify for a minimum of six months full-time employment before you can participate. OLI matches 100% of deferments up to 3% of salary and 50% thereafter up to 5%. Please contact HR for further information.

COMMUTER TAX BENEFIT PROGRAM

A Commuter benefit program is offered to those who qualify. Please inquire about the regulations and registration process if you are interested.

PERFORMANCE REVIEW

Within 30 days after the first year of employment, OLI will schedule a one-on-one performance review with an opportunity to discuss performance issues and worker goals and comments. A salary review will also be conducted on this time. During the year, periodic reviews will be given to assess performance and compensation levels. Salary increases will be based on performance and current economic conditions.

PROFESSIONAL EXAMINATION

OLI encourages professional licensure. After 6 months of employment, employees are eligible for reimbursement of ½ of successfully passed test fees. Employees should submit receipts along with proof of exam being passed with a standard expense report. Test days will also be given as a paid time off up to six total days.

PROFESSIONAL FEES

OLI will reimburse $300 for professional license/membership fee, per year. State License, AIA, etc. OLI will not reimburse for any organizations outside of US/Canada. Receipt should be submitted with standard expense report.

PERSONAL TIME OFF

OLI Architecture currently allows 10 PTO Vacation days and five sick days starting from your date of hire. Starting on your next year cycle and for new hires, the PTO days will be combined regardless of sick or vacation days.

- For every year of work completed, employees will gain an additional vacation day each year. 15 Vacation days is the maximum cap.
- After the first 90 days of employment, employees are granted 3 PTO days, and then accrue pro rata, PTO days each month for the remainder of the 9 months. Any time off during the first 90 days will be unpaid. OLI may under its discretion, allow employees to borrow future unaccrued time up to 3 days maximum.
- All requests should use the PTO form.
- Any unpaid time off should be requested in writing.
- For vacations of five consecutive days or more, one-month notice is required.
- Comp days are given for full workdays completed outside of normal working hours due to project deadlines.
- Comp 'request' for switching a holiday or weekend must be requested <u>and approved</u> in advance.

- Comp days are not typically given for standard overtime, however, under many circumstances, OLI will be fair to balance time off after a heavy work period.
- Employees should keep record of PAID PTO's days on their PTO forms.
- You may not accumulate more than 20 PTO days at any time. If 20 days are accrued, accrual will cease until days are taken. OLI does not pay out PTO days at years end or upon resignation or termination.

SICK DAYS

Please notify the office and other team members if you will not be in the office. Upon leaving early due to illness, if less than three hours of work, a full PTO sick day will be used. PTO sick days can be split into halves for medical appointments, etc.

SICK LEAVE

OLI Architecture abides by all NYC Sick and Save leave policies.

HOLIDAYS

Elevent (11) Holidays are included as paid Holidays. If the holiday falls before a weekend the office will close at 3pm the day before holidays. This is only for those working. Taking days off before does not entitle to using less PTO time.

Please use a share ride if you feel it is at an hour you feel less comfortable using public transit.

- OLI will pay for dinner, up to $22/meal for any day of twelve working hours or more. If you order, you should plan on being in the office working for at least another 2hours after you eat. In addition, a food stipend up to $95/day (in the US) and $60/day (in China) will be allowed when properly reimbursed with receipts. If travelling elsewhere, please check to confirm food stipend.

CLEANING

Since we are a small office, please pitch in on keeping the office clean.

- Clean your own cups and wipe your desk areas. There should not be any random dirty cups lying around in the office.

- Trash under your table is for paper, please help to separate recyclables properly and throw any perishables in the trash room at the end of the corridor.

- Please help wipe the conference table down and keep the coffee area neat. Keep the fridge clean and free of old unwanted food.

- For those using Nespresso, take turns cleaning the machine, descaling, etc.

- If trash/packaging is out or recyclables need to be returned, please take initiative to do so.

- The office is cleaned by a cleaning person every other weekend. On the day before the cleaning weekend, ensure that your desks are clean, and items are neatly piled, and the area below your desk area is clean and free of items.
